

## Operation Safe Driver Week 2016: October 16 - 22

The Commercial Vehicle Safety Alliance's (CVSA) Operation Safe Driver Week will be during the week of October 16-22, 2016.

The week is dedicated to spotlighting unsafe driving behaviors by both commercial motor vehicle (CMV) drivers and passenger vehicle drivers.

The top five warning and citations issued to CMV drivers:

1. Size and weight
2. Speeding
3. Failure to use a seatbelt while operating a CMV
4. Failure to obey traffic control device
5. Using a handheld phone

## Factoring vs. A/R Financing

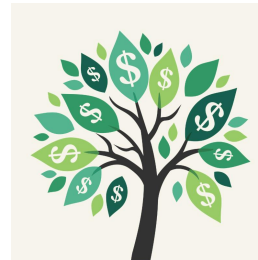

Freight invoice factoring and accounts receivable financing are oftentimes considered to be one-and-the-same. However, slight differences exist between the two that could affect your business.

### Factoring Pros:

- Flexible
- Easy to Qualify
- Simple
- No Debt Created

### A/R Financing Pros:

- Less expensive
- Easy to Transition
